Bondelo Industries (Thailand) CO., LTD. is a professional kitchen and bathroom manufacturer dedicated to making every family have a quality life. At the beginning, it formed a global strategic cooperation alliance with Zhejiang Prussia kitchen and bathroom Co., Ltd., introduced German rigorous and exquisite technology, integrated with "Chinese elements", created Chinese kitchen and bathroom products, and redefined the innovative connotation of "made in China". Based on German technology, we focus on R & D and design to build Chinese family kitchen and bathroom product line. With the brand concept of "intelligent kitchen and bathroom, quality life" as the main purpose, it responds to the national energy conservation and environmental protection policies.

Bondelo Industries (Thailand) CO., LTD. continues the transmission of the history of German kitchen sink, gathers Chinese culture, starts from a single sink product, pursues the ultimate quality control, and shares the manufacturing spirit with other kitchen and bathroom product lines. Bondelo kitchen and bathroom from Germany to introduce a series of high-precision production equipment and a set of design, materials, manufacturing, testing and other aspects of the quality management model. Each link has a strict process system, and each product has transparent manufacturing steps from material selection to final delivery to customers. The introduction of green environmental protection stainless steel materials, to provide users with health, health, safety, environmental protection kitchen facilities. We have launched a new kitchen and bathroom manufacturing base project in Thailand, so as to better develop markets around the world. At present, our products have been exported to 89 countries and regions in America, Europe, the Middle East, Southeast Asia, etc.
